

In 1983, the Adult Learning Centre began at the Owen Sound and North Grey Union Public Library. Soon similar services started throughout Grey, Bruce and Simcoe Counties. Together, our mission is to assist local adults with their upgrading goals by providing help that is community-based and student centered.

Many adults in our local community would like to improve their skills.

- We can help you find the best way to reach your goals.
- We want to make your learning successful.
- We will develop a learning plan that works for you.

Help is available throughout the Grey-Bruce-Georgian Triangle region. For more information, please call the phone numbers inside.
